04 · SINCE 2007

Our story

Fortune Gifts was founded in Dubai in 2007 with a clear ambition: to become the region's trusted gifting partner. What started as a small unit has grown into a full-service corporate gifting and print solutions company — a multi-category operation with its own production floor.

Two decades on, the principle is unchanged: a well-given gift brings good fortune to the relationship it honours. We treat every client's brand as carefully as our own.

WHO WE SERVE

- Government bodies
- Multinationals
- Hospitality groups
- Retail brands
- Event organisers
- Start-ups

05 · OUR MISSION

To give brands premium, customised corporate gifts and event merchandise that strengthen relationships, raise visibility and reflect true brand value.

Every order carries someone's reputation. We make our clients look generous, thoughtful and professional — to their people and their partners.

06 · OUR VISION

To be Qatar's most trusted corporate gifting and print partner — known for world-class service, creative solutions and consistent quality.

Trust is earned one deadline at a time. We measure ourselves on the date promised, the proof approved and the finish delivered.

07 · WHAT WE STAND FOR

Our core values

01 **Quality first**

Every product and every print run is checked against the approved sample before it leaves the floor.

02 **Speed & reliability**

Event deadlines are immovable. We commit, confirm and deliver — without compromising the finish.

03 **Customisation at scale**

Tailored solutions for any industry — the same care at 50 units as at 5,000.

04 **Innovation**

Fresh ideas, new materials and current techniques for brands whose needs keep moving.

05 **Customer focus**

Long-term relationships over transactional work. We advise, source and solve — a partner, not a vendor.
